Prospective Bellaire High Lady Cardinal:

We are excited about you coming to Bellaire High and seeing you at the training camp.

The 2019 season will be my nineteenth leading Bellaire High's Volleyball program. Over that period, Bellaire's Lady Cardinals have compiled a 575-174 match record; earning 16 district championships and making the post season playoffs every year.

This past season had a very special group of athletes. In the last four seasons, Bellaire Volleyball has dominated our district competition. As a consequence of Bellaire's success, I've been fortunate to be recognized 17 times as Coach of The Year. This is a credit to our program's unique training approach for developing volleyball skills, teaching teamwork and the commitment of so many wonderful Lady Cardinal athletes - many of whom are playing at the next level in college.

Prior to Bellaire High, I spent 10 years coaching at the collegiate level; 4 seasons as an assistant with Texas Christian University (TCU) from 1996-2000, 4 seasons at The University of Northern Colorado when the Bears made three Final Four appearances (1992-1996) and two seasons at Regis University.

In 1999, the University Interscholastic League (UIL) granted high school coaches the opportunity to provide a summer training camp for rising 7th and 8th graders, as well as incoming 9th grade students who live inside the attendance zone of their school district. Our volleyball training camp will provide players an opportunity to work with Bellaire High's coaches, develop volleyball skills, and how to play "the Bellaire Cardinal Way." I encourage all prospective incoming freshmen players to attend.

Please enroll as soon as possible; there are a limited number of "walk-up" spots available on a first come-first-serve basis. A confirmation letter will be mailed upon receipt of this application.

Bellaire Volleyball's success is directly related to developing players' skills and learning how to play together as a team. We look forward to seeing you on the court and helping you become the very best volleyball player possible.

Sincerely,

Ap Clarke
Bellaire Volleyball Head Coach

P.S. We hold Open Gym every Monday and Wednesday night from 5:00pm-6:30pm beginning Monday June 17th. The first 30 minutes of each Open Gym Bellaire coaches will lead a skills development session. Incoming freshmen are strongly urged to attend.
